

Privacy Policy

This privacy statement applies to UAB DINETA (hereinafter – DINETA) products (DINETA.app, DINETA.web) that collect data and display these terms, as well as their offline product support services.

Our Privacy Policy explains:

- What information we collect and why we collect it?
- How do we use that information?
- The choices we offer, including how to access and update information?

We've tried to keep it as simple as possible, but if you're not familiar with terms like cookies, IP addresses and browsers, then read about these key terms first. Your privacy matters to DINETA so whether you are new to DINETA services or a long-time user, please do take the time to get to know our practices – and if you have any questions contact us.

INFORMATION WE COLLECT

When you signup, we only collect your user name, password and link for connection. These are required to provide you the best possible services and in the future, these will be used to customize product especially for you.

Password you choose are stored in encrypted form and is used to verify your account from time to time, when you login on DINETA.web or DINETA.app application from your devices.

Username along with password is used for verification of your identity to use DINETA services. Rest details are stored as-it-is, however you can update them from time to time.

Your email, if you will provide it to us, may be used to send you updates, learning material, tutorials, news from DINETA team. We hate spams and we mail you only the significant emails which seems to be useful for you.

Sensitive information

We ask that Users not send us, and that Users not disclose, any sensitive Personal Information about themselves or anyone else (e.g., social security numbers, information related to racial or ethnic origin, political opinions, religion or other beliefs, health, biometrics or genetic characteristics, criminal background or trade union membership) unless it is necessary and in the scope which is necessary to use our services.

HOW DO WE COLLECT INFORMATION?

Other than DINETA website and the DINETA.app, where you provide the information, we use only cookies which are automatically stored into your devices where you use the DINETA.app and/or DINETA.web.

Points to be noted:

COOKIES

We use traffic log cookies to identify if you have connected through DINETA.app to DINETA.web. This helps us to ensure your proper and safe connection.

We may use cookies for analytical purposes in order to improve our services (DINETA.web and/or DINETA.app or other).

A cookie doesn't give us access to your computer or any information about you in any way, other than the data you choose to share with us. You can choose to accept or decline cookies. If you would decline cookies, this may prevent you from taking full advantage of our services.

INFORMATION SHARING

All your information is stored on DINETA servers and used by our services (DINETA.app, DINETA.web and other) provided for you. We do not share this information with third persons, except cases stated in this privacy policy.

We encrypt your password, rest all the information are kept as-it-is.

However, we may share certain Personal Information as follows:

- Users' accountants and bookkeepers. If a User is using any our product that has been made available to them by a service provider who has signed as one of our partners (e.g., their accountant or bookkeeper), then all Personal Information uploaded by such Users will be available to that partner and its authorised employees and agents who have access to the relevant partner dashboard site.
- Corporate restructuring. We may share Personal Information when we do a business deal, or negotiate a business deal, involving the sale or transfer of all or a part of our business or assets. These deals can include any merger, financing, acquisition, or bankruptcy transaction or proceeding.

Other disclosures. We may share Personal Information for legal, protection, and safety purposes, in accordance with this Policy:

We may share Personal Information to comply with laws or to allow us to enforce the terms of this Policy and/or our then current Terms and Conditions.

We may share information to respond to lawful requests and legal processes.

We may share Personal Information to protect our rights and property, our agents, customers, and others. This includes enforcing our agreements, policies and Terms and Conditions.

We may share Personal Information with those who need it to do work for us.

Users' choices about privacy

Users may always opt not to disclose certain Personal Information, but that may mean that they will not be able to access certain DINETA products or services. For example, a User's name are necessary to complete login process.

What Happens to my Personally Identifiable Information if I Terminate my DINETA Account?

When your DINETA account is cancelled (either voluntarily or involuntarily) all of your personally identifiable information is placed in "deactivated" status on our relevant DINETA databases. However, deactivation of your account does not mean your personally identifiable information has been deleted from our database entirely. We will retain and use your personally identifiable information as necessary in order to comply with our legal obligations, resolve disputes, or enforce our agreements.

Changes

Our Privacy Policy may change from time to time. We will not reduce your rights under this Privacy Policy without your explicit consent. We will post any privacy policy changes on this page and, if the changes are significant, we will provide a more prominent notice through email.

For further clarification, you can contact us at support@dineta.eu.
